

*Dear future bride*

*welcome in Vogue Lugano's world. We thank you for assigning us with the task of taking care of your look on your most beautiful day. The Vogue Lugano brand gathers from forty years of experience at future brides' service, with quality and love to do what we do best; make dreams come true!*

*Thank you for choosing a brand that is all made in Switzerland. All our items are entirely made in the heart of Lugano, starting from the study and interpretation of the pattern to its realization, looking after every little detail.*

*Choosing Vogue Lugano means choosing to relish a service that starts with the purchase instead of ending with it, carried on in all the months leading to the wedding. A journey that sees us by your side step by step, with passion and care. Thank you.*

*Let's marry... let's Vogue!*
